Mercy Tan - an elegant woman at 50

Mercy Tan is not the typical housewife, a conventional mother, and a stressed businesswoman. She is the opposite. Mercy is the sexy and loving wife to Jose Tan Jr., a cool and very supportive mother to her four children, Estee Estee, Ernestine, Ervy and Early, and a businesswoman who knows how to balance her time between work and family with fun. Her two son-in-laws Noel and Timothy are even proud to be a part of her family.

A grandmother to Theia - this Lola is a great dancer, wears high heels, and feels comfortable in plunging neckline blouse and mini-skirt. People might judge her appearance but Mercy knows where she stands. She is not defined by what people will remark about her lifestyle.

Mercy is a beautiful and charming woman inside and out. She is true to herself and to people around her. As long as she is faithful and honest, fears God, and stays active in different community services and church activities, Mercy believes she is having the best time of her life all the time.

Mercy is not only loved by her family but by her relatives, friends, clients, church mates, and even by people she mingles with. They respect, like her very much, and wish the best for her.

When Mercy turned 50 recently, a Bollywood Theme was handled by Zamboanga prime event coordinator Marlon Luna for her. Astoria Regency was transformed into an elegant party place where colorful glittering decorations mesmerized her guests. It was a night of entertainment, dancing, enjoyment, and love. Mercy was lovely in a golden beaded gown by Mandrake Servito. Her make-up was done by Norman delos Santos. Photos and video by Vista de Lente for lasting memories.
